

## Granite Gear Traditional Food Pack

### **Specifications**

Torso Sizes: Regular

Capacity: 54 liters | 3300 cubic inches

Dimensions: 16x23x12 inches | 40x58x30 cm

Suspension: Padded Harness

### **Materials**

210D Nylon Cordura

### **Features**

- Padded shoulder straps and belt
- Haul loops

### **Top Loader**

Access through top of pack only.

### **Traditional Food Pack Torso Length**

Regular Torso 18"-21"

### **Hipbelt**

Our Vapor Belt is standard equipment on all our packs with the Vapor Suspension. This belt is a "soft" belt. It has no plastic exoskeleton like our other belts. Although it is our simplest interchangeable belt, it still boasts hip stabilizers, dual density foam and a stretch woven fabric. This pack comes with a Medium hipbelt.
